Pair of technical socks for hunting with perfect thermoregulation.

PRO HUNTING high socks in khaki color, ideal for use in cold weather

- 3-layer knit: for moisture wicking, lasting resistance and perfect insulation from the cold
- Sock that fully adapts to the shape of the foot
- Heel and toe reinforcements
- Softness and comfort of the textile
- Available from size 39 to 46

The MONNET company is based on its long experience in thermal products and textiles, to offer the most efficient, resistant, durable and comfortable socks.

The high level of manufacturing has been rewarded by the establishment of a partnership with the French Federation of Alpine and Nordic Skiing.

Designed and manufactured exclusively in France, MONNET is based on its unparalleled technical know-how to develop products fully resistant to cold, snow and humidity.

Their experience in the ski industry has enabled the company to create a wide range of socks for all OUTDOOR activities, such as hunting, trekking, Trail, hiking.

Composition:

17% Polyamide: for dimensional stability and good endurance

12% Polyester: Breathable fiber for quick drying

10% Acrylic: For a feeling of warmth and comfort

23% Wool: Soft warmth

38% Polypropylene: Comfort and quick drying
