Renato Baldi rifle in caliber 222 Rem for target shooting and pest control.

The Renato Baldi CF01 bolt-action rifle, from the Italian gunsmith tradition, offers hunters and trappers a reliable and particularly precise weapon. This resolutely modern rifle offers as standard a threaded barrel for mounting a sound moderator and a pre-drilled housing for mounting an optic.

- 4 + 1 bolt-action rifle (.222 Rem)
- M14 x 100 threaded barrel to adapt a silencer.
- 56 cm floating cannon, with rear sight and metal front sight.
- Lateral adjustment of the handlebars on transverse dovetail.
- Cylinder head with 3 front studs: better pressure distribution and faster locking thanks to a reduced angle of rotation!
- direct trigger, lateral safety, removable single battery charger.
- Composite stock with wood-look polyurethane film, 360 mm, rubber shoe.
- Equipped with original mounted grenadières.
- Casing drilled and tapped to receive fixed or swivel assemblies.

A superb rifle for hunting wild boars as well as deer.
