Renato Baldi rifle for dynamic battue shooting, wood-look composite stock.

The Renato Baldi CF01 bolt-action rifle, stemming from the Italian gunsmith tradition, offers big game hunters a reliable and particularly precise weapon. This resolutely modern rifle offers as standard a threaded barrel for mounting a sound moderator and a pre-drilled case for mounting an optic.

- 3+1 bolt action rifle.
- Magazine attached to the weapon by a door mechanism.
- M14 x 100 threaded barrel to fit a silencer.
- 56 cm floating barrel, batten strip with height-adjustable slip.
- Lateral adjustment of the fluo handlebar on transverse dovetail.
- Bolt with 3 front studs: better pressure distribution and faster locking thanks to a reduced angle of rotation!
- direct trigger, side safety, removable single-stack magazine.
- Composite stock with wood-look polyurethane film, 360 mm, rubber shoe.
- Equipped with original mounted grenadiers.
- Drilled and tapped housing to receive fixed or swivel mountings.

A superb rifle for hunting wild boars as well as deer.
