Compact 4-shot Piexon jet defender with independent reloading and laser sighting!

Projects an ultra irritating PIEXOL OC (Oleoresin of Capsicum) solution. Non-lethal and without side effects, a shot instantly blocks the aggressor! Effective up to 7 m on a human aggressor as on attack dogs. It is equipped with an effective and dissuasive laser sighting device.

- Reusable casing by changing the cartridges.
- Short handle (2 fingers) for more discretion and less bulk.
- Range: 7 meters - Speed at 1.50m: 97.6 m/s - 351 km/h.
- Laser: works with 3 CR2032 batteries (not included)

- Pyrotechnic propulsion - no loss of charge over time.
- Active substance volume: 9 ml per cartridge (4 shots).
- Weight: 399 g (empty) - 579 g (loaded).

4 shots for more power in defense condition, each shot is rechargeable independently to always have the maximum shooting power.
Loading indicator on the side of each tube to see the presence and nature of the chambered cartridge.
Possibility of using active pepper cartridges or training cartridges drawing a blue dye (food grade).

The launcher is impressive, with its appearance close to that of a firearm and the sound of detonation it emits when fired since the liquid is propelled by a 14 mm pyrotechnic cartridge!

This system of neutralizing threatening individuals has been adopted by the Swiss police and by many security services around the world.

Unclassified product, over-the-counter from 18 years old. Swiss manufacture.
