A70260	SUMO Fighter - Set of 2 child sumo suits	Free sale	160	6	2	695 € incl. tax	Disponible

A fun activity to propose in season in your leisure park, works council or camping! Seen in game shows! Comes with the playmat!

Rip-resistant and completely waterproof material. Professional quality!

We recall that these are high quality costumes where safety standards are respected, intended for people who want to have fun with real Sumo costumes.

Wearing a cumbersome sumo costume (not inflatable but foam!), Participants will have to take their opponent out of the mat or put him down to win the fight.

An unusual animation that guarantees moments of fun and laughter.

Ideal for birthdays, events, works councils, associations, recreation center, campsites etc These costumes are threaded over the clothes of users.

Materials :

Meets EN71 and BS5852 for PVC materials.

Outside: 0.45mm PVC tarpaulin type (very good quality), strong, flexible and rain-resistant

Interior: Wadding and tarpaulin type.

Another positive point is that the wadding allows the costume to absorb shock and return to its original shape. Much more resistant than inflatable and much less constraining to put in place!

Interviews and cleaning:

Do not immerse in water, clean with a soft, clean cloth with a solution containing little alcohol

Store in a clean and dry place. The ideal is to suspend it with a belt. You can compress the costumes to empty them and tie them together for easy storage. However, it is necessary to wait 24 hours after having unpacked it so that the suit takes all the air and that the cotton decompresses.
