Used by the police and many military units around the world, the baseball cap is probably one of the most popular headwear available. The Viper Elite Baseball Cap is our take on the classic baseball cap design. The hat comes in various colours and camos making it easy to match to your current Viper loadout. You can personalise the cap by using three available hook and loop patches. It will fit most people using the hook and loop adjuster at the back of the cap.

- One hook and loop patch with viper logo on the front
- One hook and loop patch on top
- One hook and loop patch at the back
- Hook and loop size adjustment
- Material: Nylon/Cotton
- Sizes: One size fits most
