Protect your hearing without cutting yourself off from your surroundings.

Sordin Supreme Pro-X LED is the luxury version of the Supreme family. It is equipped as standard with GEL sealing rings for greater comfort. The integrated LED light simplifies life in the field in the dark. The light turns on and off easily by pressing the + and - buttons simultaneously. The light is conveniently mounted in the left cup for optimal illumination.

- SordinHEAR2 interior offering excellent sound quality and four different audio profiles (hunting, focus, shooting and communications)
- LED lamp that turns off automatically after three minutes
- Tested to IP67

The Supreme Pro and Supreme Pro-X headphones attenuate harmful sounds to a safe level of less than 82db(A) while integrating the “Hear2” system which offers 4 modes of amplification of ambient sounds:

- Hunting: Balances vocals and ambient sounds for comfortable listening.
- Focus: the highest amplification on all frequencies for maximum listening.
- Tir: Filters unnecessary and harmful frequencies for better concentration.
- Comms: Turns off ambient sound and only keeps sound from devices plugged into the 3.5mm jack.
