The Space Dryer 1.0 is ideal for drying shoes, textiles and gloves of all sizes. It is compact, flexible and quiet thanks to its two nozzles and has a robust plastic housing.

The dryer is temperature-controlled and offers protection against overheating, which is why drying is particularly gentle on the material and extends the life of the products. In addition, bacteria and germs are deprived of their breeding ground and unpleasant odors are significantly reduced.

- gently dries shoes, textiles, gloves
- controlled temperature, independent of ambient temperature
- Overheating protection
- Stable plastic housing
- interchangeable scented plates
- Drying times individually adjustable (1h, 3h, 6h and continuous operation)
- Power: 45 watts
- Power supply: EU - 240VAC / 50Hz

Contents of the box:

- 1 space dryer 1.0 (240 V - EU)
