Complete cleaning in one step. Available for several calibers to guarantee unparalleled maintenance of your weapon.

The "BoreSnake" / "Borenado" type cleaning cord will be your ideal companion, it will follow you everywhere for the maintenance of your weapon. When traveling, it takes its place naturally with your maintenance bag. The brass weight placed at the end of the cord leads it to the other side, you just have to pull firmly on it to remove all the particles and deposits contained in the barrel.

Complete cleaning in a single step:

- 1) The brass weight effortlessly pulls the cord that you just have to pull firmly.
- 2) The first section of cord carries the coarsest particles.
- 3) The metal swab embedded in the string loosens hard deposits.
- 4) The main cord section, with 160 times more surface area than a cloth, provides unparalleled cleaning.

After a few uses, the cleaning cord is easily cleaned by hand or machine in a laundry bag.

Available for several calibers to guarantee unparalleled maintenance of your weapon.
