Permet de nettoyer les canons de pistolets et revolvers de différents calibres.

BoreSnake type cord - Complete cleaning in a single step:

1) The brass weight effortlessly pulls the cord that you just have to pull firmly.

2) The first section of cord carries the coarsest particles.

3) The metal swab embedded in the string loosens hard deposits.

4) The main cord section, with 160 times more surface area than a cloth, provides unparalleled cleaning.

After a few uses, the BoreSnake is easily cleaned by hand or machine in a laundry bag.

Allows you to clean the barrels of pistols and revolvers of different calibers.
